Providence panel, Custom finish, 12 Window Square

stylish. versatile. bold.

Make your home the envy of the neighborhood.

The Model 9700 garage door adds the final touch to the design of your home. It comes in a wide variety of styles, finishes and options to make your home stand out from the rest.

Newport Panel, Custom finish, 12 Window Square

PERFORMANCE FEATURES

Insulation
Model 9700 comes with foamed-in-place polyurethane insulation with an R-value of 10*, which can improve the thermal efficiency of your garage space, help block street noise and make the door operate more quietly.

Pinch-Resistant Door Panels
Designed with award-winning safety and technology features including pinch-resistant door panels.

TorqueMaster® Plus Counterbalance
Designed with award-winning safety and technology features including pinch-resistant door panels.

High Cycle Spring Option
Choose a 25,000 cycle spring for almost twice the life of a standard torsion spring.

Detailed Construction
Three-section styling on 7' high doors gives a custom design look. Our 8' high doors have four-section styling. All panels have finished interiors and low-profile hinges.

Wayne Dalton Certified windSAFE

Windsafe™
Model 9700 is available with hardware and reinforcements to comply with building codes in regions with high winds.

Warranty
Model 9700 offers a Limited Lifetime Warranty. See full text of warranty for details.

*Wayne Dalton uses a calculated door section R-value for our insulated doors.
