

*8' Horizontal V-Groove panel, Natural Oak finish, Vertical windows*

8' Sonoma panel, Gray finish, 6 Lite Square windows, Decorative hardware

# This could be the most beautiful wood garage door you've ever seen, except it's not wood.

The artfully molded wood-grain fiberglass surface, combined with durable steel construction, produces a realistic, natural-looking wood texture, pattern and appearance. It won't warp, crack or rot like wood, or dent like steel might, providing years of outstanding performance and beauty.

8' Horizontal Raised panel, Walnut finish

## PERFORMANCE FEATURES

### Insulation

Model 9800 comes with foamed-in-place polyurethane insulation with an R-value of 7.6\*, which can improve your home's thermal efficiency, block street noise and make the door operate more quietly.

### Bottom Weather Seal

This bulb shaped seal blocks draft and debris from entering the garage.

### Pinch-Resistant Door Panels

Designed with award-winning safety and technology features including pinch-resistant door panels.

### High Cycle Spring Option

Choose a 25,000 cycle spring for almost twice the life of a standard torsion spring.

### TorqueMaster® Plus Counterbalance\*\*

is the first counterbalance system to seal springs safely within a steel tube. It contains an anti-drop feature that reduces the risk of door free fall.

### Warranty

Model 9800 offers a Limited Lifetime Warranty. See full text of warranty for details.

\*Wayne Dalton uses a calculated door section R-value for our insulated doors.

\*\*Available for Vertical Raised, Horizontal Raised and Horizontal V-Groove Panels up to 9'x8' and Sonoma Panel up to 9'x7'.
